

BIOGRAPHY

Aric Bostick is considered among the nation’s leading motivational speakers and success trainers—having inspired more than a half million people from all walks of life to believe in themselves and aspire to more fulfilling dreams.

Aric infuses energy and engagement into the workplace and beyond by delivering rich content, infused with humor, inspiration, and practical strategies.

After experiencing his own setbacks, Aric’s mission became to guide others in overcoming their own challenges and using their experiences to ignite greater achievement and happiness.

As the author of the book, *FIRED UP! Success*, Aric teaches his seven-step formula to experience more daily success in life and the workplace. Aric will share how you can level up your performance and productivity and have more fun doing it!

Some of Aric’s clients include: Human Resource Southwest Conference, Alabama State Society of Human Resource Professionals, Cornerstone Credit Union, Dallas Children’s Medical Hospital, and Federal Bank Reserve of Chicago.
